MICHAEL JOHN TREANOR.

ABOUT ME

Height: 6"1 | Weight: 211lbs | Eye Colour: Green | Hair Colour: Blonde | Hair Length: Short | Fluent Languages: English & Spanish

I was born in Liverpool, England but spent my formative years in Spain. I am therefore able to speak fluent Spanish which has been a tremendous asset when I have been successfully cast for roles in Spain and Europe. My life has been a roller coaster full of ups and downs, twists and turns and trials and tribulations but I feel blessed to have had life experience in abundance which enables me to bring depth and meaning to the varied roles I have undertaken. The tools I have acquired along this journey have proved invaluable to me and my performance. I found my calling in life in 2009 in acting and since then I have appeared in many TV series, Feature films, commercials and even performed Theatre at Edinburgh Fringe and seen myself on the big screen at Cannes. I love life and enjoy it to the full and feel truly blessed to have found this wonderful art and to be able to earn a living doing what I truly love.
